To find your version number see https://support.zoom.us/hc/en-us/articles/201362393-Viewing-the-Zoom-version-number
January, 2023	<ul style="list-style-type: none"> • Locate a method to scan all Supporting Information documents into a single pdf. This is required for the application. Don't wait until the last minute. You may possibly use your phone camera, but make sure the pdf is perfectly readable. A copier/scanner is preferable. • Request Letters of Recommendation from an academic person and a community person who know you well.
January 25, 2023, but sooner is better!	You should file your FAFSA (Free Application for Federal Student Aid) no later than this date so you will have your Student Aid Report (SAR) in time to complete the Common Scholarship Application. Go to http://www.fafsa.gov .) The online 2023 FAFSA Application has been available since October 1, 2022.
On or Before midnight, Friday, February 17, 2023	All parts of the application are due and are submitted electronically. No paper documents accepted. See how to submit your information in the Checklist, #6, on the next page.
Friday, March 10, 2023	By this date, BECA copies and distributes your application to scholarship providers where you have indicated you wish to apply. During April, the individual providers select the winners of their scholarships and notify them. Interviews of finalists will be held by some scholarship providers. You should frequently check the email address and voice mail number you provided for requests for interviews and notification of awards.
Saturday, April 15, 2023	Scholarship Providers will notify students of their award on or before this date. See the BECA website for a list of scholarship providers who have notified BECA of their selection.

Instructions and Checklist

- This paper, pdf document is titled INSTRUCTIONS AND DETAILED LIST OF SCHOLARSHIPS 2023. Print it, and keep it for your records. Do not send it to BECA.
- The *JotForm Electronic Application with Selection of Scholarships* is a JotForm web form that you complete, save and upload as a pdf, and also submit its data electronically. The web address where you will find the **electronic application** is <https://form.jotform.com/230035352195146>
- You can also find this link and more instructions and FAQ on the BECA Website <http://www.smcbececa.org/common-scholarship-application>
- Note that you may work on your application in multiple sessions. Be sure to save your work frequently (see button at the bottom left of the form).

Checklist

1. Read over these instructions and the list of scholarships below. Follow the instructions in order.
2. On this paper form, check off the scholarships for which you wish to apply and for which you are fully qualified. This is for your own records. Do not submit this to BECA.
3. Enter all the requested information on the web-based, *JotForm Electronic Application with Selection of Scholarships* found at the address above.
4. Transfer your selection of scholarships from this paper form to the *JotForm Electronic Application*. Check the electronic box for each scholarship for which you are applying. You must meet all the requirements for each scholarship you select. You must supply additional essays or other information as requested for scholarships in the Part B, blue section. Most essays are typed directly into the electronic application.
5. SMCPs students should contact their school's College and Career Liaison or College Access Program (CAP) Advisor to review your application before submitting it.
6. When complete, you must do the following:
 - a. Create a pdf of the completed *JotForm Electronic Application with Selection of Scholarships*. Create this by using the green "First Print-Save Form as PDF" button at the bottom of the JotForm application. Use the yellow "Browse Files" button to upload the pdf you created.
 - b. Collect all of your supporting documents as listed on the next page, plus any that are requested by Part B scholarships that are not typed directly into the application. Scan all of the supporting documents into one pdf file and upload this using the second yellow "Browse Files" button near the bottom of the JotForm Electronic Application. See how each file should be named in the instructions above the yellow "Browse Files" button.
 - c. Submit the data from your 2023 JotForm Electronic Application. To do this, hit the "Last Step: Submit" button at the bottom of your application.

Everyone must use the "Last Step: Submit" button on the online application to electronically send your data to BECA. Your data populates spreadsheets that are given to scholarship providers.

Your application will not be processed if either the pdf of the completed JotForm Electronic Application, the electronic data generated by submitting that form, or the pdf of supporting documentation is missing.

- **The deadline for all submissions is midnight, Friday, February 17, 2023.**

Order of scanned items that you will provide to BECA:

- SAR, your Student Aid Report from FAFSA (only the single page that shows your EFC or Expected Family Contribution).
- SAT and/or ACT score report(s). (Optional this year) Forms printed from the web are acceptable. Winners will need to provide official reports.
- Two letters of recommendation. One from someone at your school and one from someone in the community, strongly preferred, or two from school if you are unable to get a letter from a community person. If the letter writer requires a confidential letter, there is a link on the BECA website for submitting letters that the student will not see.
- A copy of your high school transcript.
- A copy of your current school year report card, showing grades at the end of the first semester of your senior year. You may print this from the web.
- Other items required by scholarships you selected in Section B if the item was not typed directly into the application. A photograph is one item that many providers request.

More detailed information about support items that you need to provide to BECA. BECA will distribute your support items to the organizations you designate to receive your BECA SMC Common Scholarship Application.

FINANCIAL INFORMATION. The finances section is very important. A copy of your SAR, (Student Aid Report) as received from the U.S. Department of Education's FAFSA (Free Application for Federal Student Aid) must be included with your application. You receive the SAR after submitting the FAFSA. You only need to include the first page of the SAR. The first page shows your EFC, or Expected Family Contribution, a six-digit number. Do not send the pages with your family's income and expenses. The last four digits of your Social Security number shown on the SAR must match those you enter on your electronic application.

Note that there is a space on the JotForm application for entering extenuating circumstances, if needed. Use this if the FAFSA SAR you submit does not fully reflect your current year's financial situation.

It takes time to complete the FAFSA and for the SAR to be returned to you. BECA strongly recommends that you have your FAFSA complete by **January 25** to meet the February 17, 2023 deadline for the Application and List of Selected Scholarships.

SAT and/or ACT. Attach a copy of your SAT or ACT test score report. If your highest SAT total score is from different test dates, submit copies of each report and explain as needed. This report may be printed from the internet. If you do not need either of these tests for the schools you are applying to, explain this in the space provided on your application. **Test scores are optional this year.**

LETTERS OF RECOMMENDATION. Ask two people (one academic and one community strongly preferred, or two academic) who know you well, but are not related to you, to provide you with a letter of recommendation. Letters must be written within the last six months, on official letterhead (if from a school, business, or other organization) and include the author's name, organization (if applicable), address, and a phone number where he or she can be reached. Letters must be signed.

Teachers, counselors, ministers, coaches, and employers are all good choices as they can comment on your overall character, achievement, and promise. Letter writers should include their relationship to you, describe in what capacity they have known you, and tell how long they have known you. Letters must include your full name. Please give the individuals writing your letters enough time to complete them.

TRANSCRIPT. Include one high school transcript (or high school and college if you are primarily a college student). You should place your request with your school early as the school needs time to process requests. You may print the transcript from your school's website. Scholarship providers may require an official copy from their student winners.

PERSONAL STATEMENTS: In section IX of the electronic application, respond to the prompts listed below. The form will not permit you to enter more than 1024 characters (about 200 words) for each question. All applicants must answer these five questions. When you print the application, be sure all your answers printed in full.

1. Describe the career path you have chosen and why you have chosen this field. If undecided, what areas of study most interest you and why?
2. Describe one major personal accomplishment or one major challenge you've faced thus far. Explain how it benefited you or others.
3. How has supporting your community through work, volunteering, or other service benefited others?
4. Where do you see yourself in five years? How will you get there and why did you choose that goal?
5. Among numerous applicants, why should you be considered for a scholarship award?

ADDITIONAL INFORMATION FOR SCHOLARSHIPS IN THE BLUE SECTION, PART B. Every scholarship in Part B, the blue section, requires an essay with a specific topic or some additional piece(s) of information. If an additional essay is required, a box will appear after you select the scholarship (or a file upload button for some). Type your essay or answer the questions asked in that box. There are minimum and maximum word limits for most of the essays. JotForm will not let you submit your application if word limits are not met. If a scholarship requires a photo, please upload that in with your Supplemental Information pdf.
